Representatives from the Benefice attended the Living your Church in Growth conference last month. Interesting and inspiring presentations and activities to get us thinking, looking at the culture of our churches as warm and welcoming. Bishop Rose gave an update on the strategic direction this month, really focusing on supporting local, simply to enable every local church to share in God's mission.

Part of this is growing the church family via families, children and young people. This week (6-12 July) is RECOGNISE Week, a national week of recognition for everyone involved in ministry with children, young people and their families (CYPF). Today we thank those that are part of this in our Benefice.
